

# Siuslaw Watershed Council

## August 2015

**SUMMER & PLANTS** • The hot dry weather calls for extra attention to your native seedlings. They are likely to need watering. The seedlings may also need to be released from competing plants or may need tube maintenance. Release assistance is available, for more info email Gary at [crew@siuslaw.org](mailto:crew@siuslaw.org) or call the SWC Office.

**CELEBRATE SIUSLAW SALMON 2015** • Good local food and drinks, great local music, terrific people and accomplishments, and excellent silent auction items—all on Sunday, September 13 at the Florence Events Center. Contact the SWC Office or board members for tickets, or purchase tickets online at <http://www.brownpapertickets.com/event/1558883>.
