February 2018

• NATIVE PLANT DISTRIBUTION •

Thank you to all of our volunteers and to everyone who participated during Distribution Day. We dispensed over 8500 plants with many new planting site participants this year. Tubes and poles are still available for plant protection. Site prep and planting assistance is available on a first-come-first-served basis. Contact Kyle at nativeplants@siuslaw.org.

• **2018 MEMBERSHIP** • It's not too late to renew your membership with the Siuslaw Watershed Council. Your membership makes our newsletter publications and monthly informational meetings possible. Thank you for your support.
