WATERSHED GATHERING • OCT 24th • 6:30 PM

Fall is coming, and it's time to put your tools to bed for the season! A member of our field crew, Rich Peterson, will provide a rundown of the basic operation and maintenance of the tools and equipment used to accomplish the wide variety of tasks the crew is asked to complete. If you're curious about how we do our field work, or would like some tips on how to operate and maintain your own tools, you won't want to miss this! Join us at the SWC Office at the Mapleton School, 10868 E Mapleton Rd.
