

# Siuslaw Watershed Council

June 2010

## **FREE BRUSH CLEARING & PLANT**

**PROTECTION:** We have a crew available to clear weeds and brush away from native plants, protect plants from predators, and assist with site prep. Contact the SWC office to be placed on the list, 541-268-3044. We will help as many landowners as possible.

## **SIUSLAW WATERSHED EXPLORATION CAMPS:**

Visit [www.siuslaw.org/camps](http://www.siuslaw.org/camps) for the scoop on this summer's exciting free programs!

**FISH PASSAGE IMPROVEMENTS 2010:** SWC and partners are replacing several barrier and problem culverts this summer. Replacements at Swamp, Condon, Alder, and Knapp Creeks restore aquatic species passage and stream function. To learn more about SWC and partner projects including road closure dates, go to [www.siuslaw.org/culverts/](http://www.siuslaw.org/culverts/).
