

FREE NATIVE PLANTS

Attention all stream and lakeside landowners:

The Siuslaw Watershed Council is giving away free native plants and trees for planting on lakeshores and stream banks in the Siuslaw Watershed and Coastal Lakes Area.

What: The Native Plant Distribution

When: February 10th, 2018

Hosted by: The Siuslaw Watershed Council

With plant pick-up locations in Mapleton, Deadwood, Lorane and Blachly

Plant lists will be available and requests taken in November and December 2017. Assistance is available to help with planting and site maintenance. New participants welcome and questions are encouraged.

For questions and requests, contact Kyle at the Siuslaw Watershed Council: 541-268-3044 or email: nativeplants@siuslaw.org www.siuslaw.org/native-plant-distribution

Made possible by the Coast Range Stewardship Fund and private donations.
