

# Siuslaw Watershed Council

## February 2013

### **NATIVE PLANT**

**DISTRIBUTION** • Thank you to everyone who participated in the 2013 NPD Day, landowners, volunteers, donors, and staff. We still have some trees available. Email [nativeplants@siuslaw.org](mailto:nativeplants@siuslaw.org) for more information or call 541-513-2604.

### **VOLUNTEER OPPORTUNITY** •

Are you a great host?

Want to meet your fellow watershed neighbors? You can be a Volunteer General Meeting Host. Each set of hosts sets-up, provides snacks, and cleans-up from only one General Meeting per year. Contact the SWC Office for more info.

### **February SWC General Meeting**

Implementation Ready Total Maximum Daily Load (TMDL)

—Overview and What It Could Mean for Landowners

- Oregon's Agricultural Water Quality Program: Mid Coast Area Plan, Rules, Compliance, and You, Kevin Fenn, ODA

- Mid-Coast Implementation-Ready Bacteria TMDL, Kevin Brannan, DEQ

- Info will be available about other IRTMDLs in development: Bacteria and Temperature.

Wednesday, February 27, 2013

6:30-8:30pm, Doors Open at 6:00pm

Mapleton Grange, 10880 E Mapleton Rd

Looking Ahead: 3/27, Ocean Forum in Florence
